2021-2022

Welcome to Egan High School's 32nd year!

Welcome Wildcats!

We are excited to welcome back our grades 10, 11 and 12 students and families. A special shout out to our new students and to our ninth graders - Class of 2025!

We plan to return to in person teaching and learning with school beginning on Wednesday, September 1st - all students, faculty and staff will be in school Sept. 1-2 as we begin the school year, our 32nd year as a four grade high school.

See our "Fast Facts" on this page for important calendar events. We are always ready to help and support our families!

Sincerely,

Dr. Polly Reikowski
Principal, Egan High School

SCHOOL SONG

*We are from Eagan, stand up and cheer.
The Wildcats are roaring year after year.
Send a victory shout on high,
Shake down the thunder from the sky!
Yes, we're the Wildcats and we are great!
Onward to glory, fame is our fate.

V. Personalization at EHS

LINK CREW

Eagan High School is continuing the LINK Crew program. LINK Crew is a national program designed to provide freshmen students with junior and senior mentors to help them successfully navigate through their first year of school. LINK Leaders will take part in 10 hours of training in the late summer that will provide them with skills for building connections with our incoming freshmen.

LINK Crew will sponsor several events throughout the school year including, Freshmen Tailgate, Dodgeball Tourney, Ice Cream Social, Amazing Race Competition and other events designed to promote successful outcomes for our freshmen. Please encourage your students to attend these events and become involved at EHS.

The first day of school begins at 7:40 AM on Wednesday, September 1. All freshmen students should report to the Student Commons and Gym. The day will begin with a large assembly followed by students working together in small groups with LINK Crew Leaders. The remainder of the student body will report to school at 11:00 AM and follow a modified schedule that will allow them to eat lunch and meet all of their teachers in classes. The day will conclude at 2:30 PM.

EHS HOMECOMING WEEK - Sept. 27 - Oct. 2

Eagan High School Homecoming Week runs from Monday, Sept. 27 – Saturday, October 2. The LINK Crew will host Powder Puff Football on Monday, Sept. 27 and the Eleventh Annual Dodgeball Tournament at 6 PM on Wednesday, September 29. There will be several other events during the week to get students involved in the Eagan community. One of the highlights will be the football game on Friday night (Oct. 1) against Eastview. The Homecoming semi-formal dance will be held on Saturday night, Oct. 2 in the EHS gymnasium from 8 PM - 11 PM. Tickets sold at the door. Guests must be pre-registered and approved.

FRESHMAN RESPECT RETREAT - Tuesday, Dec. 14

Freshmen students will have the opportunity to spend one school day with other freshmen as they participate in the Respect Retreat organized by Youth Frontiers. Over 500 freshmen students participated in our most recent retreat. It is a great experience for freshmen that will culminate with the Wisdom Retreat that students participate in during their senior year. Registration for the retreat is \$25 and can be paid in the MyPayments system. There is support for this payment at EHS - contact the counselor.

PAWS

Freshmen students, along with grades 10, 11, and 12, will be assigned a PAWS class. PAWS (People Achieving Wildcat Spirit) is our daily homeroom period that consists of freshmen, sophomores, juniors and seniors. The goal of PAWS is to make a large school smaller and provide our students with an adult advocate in the building. Students will remain with the same teacher all four years of their high school careers. Some of the activities during the daily 15-minute period that occurred last year were: food drives school-wide spirit competitions, grade checks and Eagan AM. In addition, it is a great time for our students to take 15 minutes out of their day to catch their breath as they move through a rigorous seven-period class schedule.

VI. Attendance Policy

District 196 School Board adopted Policy 503 and Regulation 503.2AR governing high school attendance. It sets the expectations that a major student responsibility is daily attendance. Each student's attendance, grade and discipline incidents are recorded electronically and available to parents online.

Chronic absenteeism is defined as missing more than 10% of school days for any reason. At EHS, this is equal to 6 days per trimester (or 18+ days per year). School attendance is important to both academic and social/emotional development. Students who are absent (excused or unexcused) from school at this rate miss out on the valuable learning activities that take place in the classroom, both with the teacher and with peers. While they may complete some or even all of the work missed, the learning experience is significantly altered. We understand that there may be circumstances that prevent a student from attending, however we expect those absences to be limited. Action will be taken for those students that have chronic absenteeism. This action may include: parent meetings, classroom interventions, improvement contracts, or potential delay of credit.

1. Expectation

Excessive absences may have adverse consequences due to the inability of students to keep up with course assignments, activities, assessments, etc. With the exception of the school-authorized and verified absences noted below, high school students are expected to attend every class every day.

2. Excessive Absence Rule - Notification/Intervention Process

2.1 Each student's attendance, grade and discipline incidents are recorded electronically and available to parents online.

2.2 When a student reaches his or her seventh absence in a specific trimester course, notification of the absences will be communicated to the student's parent/guardian. This notification will also advise that there may be adverse consequences, which may include loss of credit due to the student's inability to keep up with course assignments, activities, course assessments, etc.

2.3 When the number of a student's absences reaches 10 in one trimester (excluding absences specified in section 3.1 below), the school's designated administrator will review and investigate the reasons for the absences and determine a course of action which may include one or more of the following:

- 2.3.1 Parent meeting;
- 2.3.2 Parent meeting with teacher(s) and counselor, and/or
- 2.3.3 Development of an attendance intervention plan including withholding a course credit.

3. Types of Absences

- 3.1 Absences which are not counted in the excessive absence rule include, but are not limited to:
 - 3.1.1 School-sponsored curricular and cocurricular activities;
 - 3.1.2 Official religious holidays;
 - 3.1.3 Death of an immediate family member (parent, step-parent, guardian, sibling, grandparent);

- 3.1.4 Unique or emergency circumstances which are authorized (or, whenever possible, pre-authorized) by a school administrator;
- 3.1.5 Chronic or long-term illnesses which are verified by a doctor's signed statement and authorized by a school administrator;
- 3.1.6 Authorized appointments with school personnel;
- 3.1.7 Military deployment of a family member, and
- 3.1.8 In-school suspension, out-of-school suspension and transitional study hall (removal from class for one or more class periods).
- 3.2 Absences which are counted in the excessive absence rule include, but are not limited to:
 - 3.2.1 Verified – Absences which are verified by the parent/guardian with reasons accepted by the school. Accepted reasons are:
 - 3.2.1.1 Illness;
 - 3.2.1.2 Medical or dental appointments that cannot be made outside of school time, and
 - 3.2.1.3 Pre-authorized, pre-planned absences of one day or more. This must be arranged prior (preferably at least one week) to the absence in order to be verified.
 - 3.2.2 Unexcused – Unexcused absences will be treated with consequences in accordance with the behavior expectations and consequences for misbehavior outlined in district policy and administrative regulation. Unexcused absences occur when a student chooses to be absent from school without school approval. Consequences which may include, but are not limited to, detention and in-school or out-of-school suspension will be assigned to students who have unexcused absences. Students with unexcused absences from one or more class periods on seven school days per year may be identified as truant and subject to Administrative Regulation 503.2.1AR, Truancy, in compliance with state law on compulsory instruction.
 - 3.2.3 Tardies – Tardies are defined as being late to class without a pass. Consequences such as detention and in-school or out-of-school. Suspension may be assigned to students with excessive tardies.

4. Make-Up Work-

Class absences necessitate make-up work, which, if not completed on time, may lead to failure or incomplete grades. Teachers must allow students to complete missed work, assignments, tests, quizzes, etc., but it is the student's responsibility to consult their teacher about absences from class and required make-up work. Students generally have two days per day of absence in which to turn in make-up work. Regulation/503.2AR/4-27-15

Tardy Interventions

- First Intervention: Teacher imposed consequence. Teacher will contact parent.
- Second Intervention: After school detention assigned; notification to parent.
- Third Intervention: Consequences assigned.
- Future Interventions: parent intervention meeting, truancy court referral.

GRADE POINT AVERAGE (MPA) AND GPA (Grades 9-12)

Marking System

A	=	4.00	D+	=	1.30
A-	=	3.70	D	=	1.00
B+	=	3.30	D-	=	0.70
B	=	3.00	E	=	0.30 (Social Pass)
B-	=	2.70	F	=	0.00
C+	=	2.30	P	=	Pass
C	=	2.00	NC	=	No Credit
C-	=	1.70	NG	=	No Grade

The mark point average (MPA) is computed by the following procedure:
multiply the number of grades by their value, sum and divide by the number of grades.

For example: suppose a student received an 1 A, 2 B's and 3 C's one trimester.
 $(1 \times 4.0) + (2 \times 3.0) + (3 \times 2.0) = 4.0 + 6.0 + 6.0 = 16.$
 6 (credits attempted) 16 (mark points)
 Mark-Point Average = 2.66

GRADE/PASS OPTION

A student at Eagan High School may take **one class** per trimester on a "Grade/Pass" basis. During the first 30 days of class, the student must obtain a "Grade/Pass" form from the office and return this signed form to the Counseling Office. "Grade/Pass" applications will NOT be accepted after the first 30 days of class. All "Grade/Pass" students in any course will take all tests and quizzes, turn in all regular class work, and receive grades along with other students. Only the final mark is a "Pass" or "No-Credit" mark. The subject taken on a "Grade/Pass" basis will not be averaged into a student's class rank, honors rank, or honor roll standing. A special feature of the "Grade/Pass" option allows a student to convert from a "Grade/Pass" option to a final letter grade. Students must notify their teacher on the last day of class that trimester of their choice. If a student is taking a class on this basis and is removed from class or determined to be cheating/plagiarizing, the student will receive a grade of "F" for the course and be assigned to structured study hall for the rest of the trimester.

COMMENCEMENT

Eagan High School graduation exercises will be **Saturday, June 4, 2022**. The ceremony will be planned by the senior class. Early graduates are invited to participate in the graduation ceremony with their classmates. All diplomas will be dated and issued on or after June 4th, 2022. Any senior who has nine or fewer credits left to meet EHS graduation requirements may participate in the June graduation ceremonies but will not receive a diploma until credits are completed. However, any senior who is short credits, yet within this parameter, must also be enrolled at Eagan High School or at one of the alternative learning centers with whom we work (ALC, DCALS, ABE, etc.). If the senior has "dropped", and is not attending school he/she is not eligible to participate. Those with insufficient credits will not receive a diploma until all graduation requirements have been satisfactorily met. Seniors participating in the ceremony must comply with expectations for dress and decorum and pay the Graduation event fee.

DIPLOMAS AND GRADUATION (CLASS OF 2022)

A senior must fulfill all EHS and District 196 requirements in order to achieve graduation.

Diplomas will be issued only to those who:

1. have successfully met all EHS and District 196 credit requirements.
2. have returned all school property (books, equipment, uniforms, ipads and cords etc.).
3. have paid all fines and fees as required (lost or damaged materials, purchases, fund raising accounts, parking fines etc.).
4. have fulfilled all disciplinary consequences.
5. have submitted all PSEOP transcripts/report cards for EHS credit approval.
6. have taken MCA's, ACT or ASVAB Test.

EAGAN ACADEMY

The purpose of Eagan Academy is to build students' academic skills and success in school. Eagan Academy will offer students the opportunity to make up previously failed required classes while providing additional support with assignments, and promote student success and connectedness to school.

Students who participate in this blended learning class for 6 weeks may earn up to 3 required credits. A student who is absent for more than one class period may not receive credit for the course. Three tardies will equal one absence. Students will not earn traditional grades in these courses. After completion of the courses students will either earn a "pass" grade or "no grade" to be added to their transcript. The student's GPA will not change. Courses will be held after school (2:30 – 4:50 p.m.), on Monday, Tuesday, Wednesday, and Thursday.

Students must register using the online Eagan Academy registration form. Registration forms are available on the EHS home page or from the counselor.

Course offerings are subject to change due to the number of student registrations and faculty availability. Some classes have limited enrollment, and preference for sessions will be given by the date the application is returned. Classes may be cancelled due to a lack of enrollment. All regular school rules are in effect during Eagan Academy.

Eagan Academy Course Schedule* - School Year Sessions

Fall Session begins : September 20, 2021

Winter Session begins : January 10, 2022

Spring Session begins : April 11, 2022

* Registration for each of these sessions starts the first day of each trimester.

Classes run right after school, Mondays - Thursdays

Eagan Academy Summer Sessions

Summer Session ; June 13, 2022 *Summer Registration will begin May 2, 2022

FAILURES AND INCOMPLETES

When a student is having academic difficulty in a class, the teacher should be consulted for assistance. It is also suggested that the student inform his/her counselor of the problem, especially if grades in more than one class are being affected.

Students who fail a required class must see their counselor without delay to make arrangements for repeating the course in Eagan Academy or Summer Sessions. Failure to make up required courses will jeopardize a student's graduation. Credits for failed elective subjects must also be made up. The advice of the school counselor should be sought in

deciding which classes should be repeated and where substitute credits are acceptable. Make up of required courses must be done through Eagan Academy or Summer School.

Incomplete grades are assigned at the discretion of the teacher and request of the student to those students who have not successfully completed required class assignments/expectations or met the required outcomes during the trimester. When students receive an incomplete grade, they should see their teacher as soon as possible to arrange for needed make-up work and turn it in on time. The deadline for making up an incomplete grade is the end of the 4th week (20 school days) into the next trimester. Incomplete grades that are not made up will result in failure for the course and, as a result, loss of credit. No separate report card/ notification is issued for completion of incompletes. The final grade is recorded on the official transcript once it has been determined by the teacher.

FINAL EXAMS/ ASSESSMENTS

Final exams and graded culminating activities are held at the end of each trimester during two final exam days. Two-hour blocks of time will be scheduled for most classes. A schedule for those exams will be: 1st Day: 2, 4, PAWS 6. 2nd Day: Hours 1, 3, 5, PAWS, 7. **Final exams will not be given early for any reason.** Students absent during finals will arrange to make them up as soon as possible with their teachers. If they are not completed by the time a grade must be reported, an Incomplete may be recorded.

GRADE CHANGE

Changes in the final grade occur only when a clerical or calculation mistake has taken place. The Counseling Office, in conjunction with the teacher, will handle requests of this nature.

GRADE REPORTS

As mid trimester approaches, parents and students should check the Campus Portal for an update of academic progress. At the conclusion of each trimester during the week following final exams the final grade will be posted into the Campus transcript. In addition, teachers will email notices of student excellence and deficiency to parents. Parental communication with teachers, counselors and administrators is encouraged. Our voice mail system, as well as e-mail, is especially useful for this process. No report cards are mailed.

In addition to the grades of A, B, C, D and F, the following grade options are available.

- I Incomplete. This is for the student who has not completed ALL work due to illness, lack of completion despite adequate ability level on the part of the student, and/or other intervening circumstances. Because Eagan High School believes good attendance and good effort are required for a passing grade, our policy has been to assign a grade of I (Incomplete) to the students who fail to measure up to individual expectations. This grade prevents the D- reward for such behavior, but still allows the student opportunity to redeem the grade. If the students meet the work expectations (quantity and quality) for the course, by the deadline, the grade can be changed to an appropriate letter grade. See "Failures and Incompletes."
- P This indicates a passing grade (with credit) for students who elect to take a course on a Grade/Pass basis and for courses made up in Eagan Academy or summer school.
- NC This indicates a failing grade (no credit) for students who elect to take a course on a Grade/Pass basis. It is also used for students who enrolled late in the course.

NG This indicates that the student remained in the class, attended the classes, completed all work, and remained in good standing. This grade does not negatively affect the GPA.

THE HONOR CODE - Academic Integrity Policy

Academic integrity on the part of all students is basic to the individual growth and development realized through Eagan High School coursework. 1. using all or part of another's speech, paper or ideas as your own;
2. using a direct quote without citing the source;
3. copying a passage word for word and not using quotation marks;

A bookkeeping plan must also be included in the written proposal (shirt/jersey cost, sale dates, location of sale collections, people collecting money, proof of purchase lists, etc.)
2. The printed design and bookkeeping plan must be dropped off in the Main Office for administrative approval prior to accepting any orders.
3. Upon approval, an order form is designed with a picture of the front of the shirt and the back of the shirt clearly shown, along with an HS administrator's signature. The order form has the shirt/jersey cost, various sizes, quantity, and tentative shipping dates clearly identified. EHS will make copies of the order form and make them available to students.
4. Orders are taken by the students and the shirts/jerseys are then ordered.
5. A delivery plan is developed so that the distribution is done in an organized way - no one gets new apparel unless they have paid for it!

EHS will not allow shirts/jerseys to be sold to students unless this policy is followed. Parents should not give money to students unless they are shown an order form with drawings, the cost, and an administrator's signature of approval clearly listed. Inappropriate shirts/ jerseys (inappropriate words, messages and/or pictures) will not be allowed at EHS at any time. School Spirit is always encouraged at EHS, but it must be done appropriately.

ELIGIBILITY RULES, EXPECTATIONS AND CONDITIONS FOR ACTIVITIES

Students at Eagan High School have the privilege to participate in co-curricular programs and other school-sponsored activities and events, including, but not limited to, assemblies, graduation and dances. Student participation in school-sponsored co-curricular programs and attendance at activities and events may be denied based on their conduct at school and in the community.

FUND RAISING

All fund raising activities must have prior approval by the principal team. This includes before, during and after school, as well as on district-provided transportation or at school-sponsored events. School organizations that would like to sponsor a fund raiser must secure an application from the Principal's Office. Individual students are not permitted to sell items to raise money. Booster groups representing EHS must work with the co-curricular principals for pre-approval of fund raising.

HALL PASSES/LIBRARY PASSES

Passes are required at all times. Students must not leave the classroom without a pass from the teacher. Passes are issued for a specific destination and are not to be used for any other purpose. Passes to the library will be given by a study hall teacher, classroom teacher, or by the library staff. Students need to sign in and sign out of the library. Students leaving the building for the parking lot must have a pass to do so from the Attendance Office. Misuse or forgery of a pass will result in disciplinary consequences. The library is available for students after school most days.

LOCKS AND LOCKERS

Hallway lockers are equipped with combination locks; students will not be allowed to affix any other locks to them. Locks are not provided for physical education or co-curricular activities. Students will be responsible for the security of gym lockers issued to them by supplying their own combination padlocks. All material must be removed from physical education or co-curricular lockers prior to the end of the trimester. We strongly discourage keeping any amount of money or other valuables in lockers. The sharing of lockers with fellow students is not advised due to security-related problems.

MILITARY RECRUITERS

Under state and federal laws, military recruiters and institutions of higher education can request from school districts the names, addresses and home telephone numbers of students in grades 9, 10, 11, and 12. Parents of students in these grades have the option to refuse the release of this information. Forms are available at the District 196 web site (www.district196.org) for parents to indicate their refusal to release this information. This is a separate form parents and/or guardians may use to deny the release of specific "directory" and yearbook information about their child.

PARKING

Students are encouraged to use school district-provided transportation. This fall nearly 2200 students will attend Eagan High School. We have a limited number of parking spaces on our campus. An online process for juniors and seniors buying parking permits will be followed each trimester. Permits cost \$80 per trimester. This is a District 196 charge. Any student who fails to fill out an application by the established deadline will be charged a \$20 late fee. Seniors have priority for permit purchase. Juniors are next in priority until permits are all purchased. Sophomores and Freshmen are not eligible for parking permits.

Students with unpaid fines or fees will not be granted a parking permit, until all fines or fees are paid or the item(s) returned. Student cars displaying valid parking permits may park only in marked parking spaces in the East and Stadium parking lots. Students may not park in the South parking lot or in "no parking" areas at any time during the school day. State law prohibits parking in designated handicapped parking spaces without a handicapped permit. This law is enforced 24 hours a day. Permits must be displayed as instructed in student vehicles. Cars without permits or parked inappropriately will be ticketed, "booted" and/or towed. Students who receive a parking ticket must report to the main office within 5 school days. Failure to do so will result in your car being towed. Violators will lose all parking privileges. Students who receive a parking ticket will be ineligible to apply for a parking permit the following trimester. Forged permits will result in discipline consequences as well as denial of future permits. Any senior ticketed for parking without a permit during the 3rd trimester of their senior year may forfeit senior privileges or have them delayed and may have to take final exams in order to graduate.

PARTIES AND REFRESHMENTS DURING SCHOOL DAY

Parties, "snacks" and beverages are not allowed in the classrooms during the regular school day with the exception of occasional activities during PAWS time. School organizations and clubs may schedule parties outside the regular school day by requesting approval from an administrator.

PHONES, IPODS, LASER POINTERS, UNIVERSAL REMOTES

Disturbances which interrupt educational opportunities and theft problems may originate from iPods, laser pointers, universal remotes, personal computing devices, cellular phones and other nuisance articles (skateboards, roller blades, squirt guns, water balloons, etc.). Students are advised not to bring such items to school. Eagan High School and District 196 will not assume responsibility for investigating loss or theft of such articles and will not be responsible for their replacement.

POSTERS AND HANDOUTS

Students may not post or handout any material at EHS or on school property unless pre-approved to do so. This includes birthday notices, greetings, advertisements, etc. Members of the Principal's Team will review requests and approve with their signature.

RESTRICTED LUNCH PERIOD/RESTRICTED STUDY HALL

Lunches are to be eaten in the Commons. During the lunch period students are required to remain in school, in the Commons. **EHS does not allow students to leave the building or campus during lunch periods or study halls.** Consequences will be assigned to those who leave the building without permission.

SCHOOL PHOTOS

Lifetouch will take photographs of our students. It is planned for Thursday, Sept. 2nd. **These photos are used for the yearbook (grades 9-11) and for Student I.D. Cards** (grades 9-12). Retakes will be offered on Monday, October 11th. There is no cost for the photo used for the I.D. card and yearbook. Students and families may order, at their own expense, a packet of photos from Lifetouch.

SCHOOL LUNCHES

District 196 provides, through Food Services, a school lunch program. Full meals or ala carte offerings are available. A computerized system is used for the payment of meals. Every student is assigned a five-digit personal ID number for their entire school career. This number is used to access prepaid dollars in the student's account. Free and/or reduced lunch programs are available to those who qualify. Applications are available on the district web site, www.district196.org, or in the EHS Counseling Office. For additional information call **Food and Nutrition Services at 651-683-6957**. *Due to crowded conditions and need for seating no tables will be moved together for lunches.

STUDENT USE OF FACILITIES

STUDENT VISITORS

Due to the crowded conditions and security requirements at EHS, NO STUDENT VISITORS will be allowed during the school day.

TELEPHONES AND CELL PHONES

Office telephones are not for student use. Telephones have been provided for student use in the locker bays, east entry, front hallway on the main level and in the Student Commons. Please refrain from calling your student during class time. In the event of emergency situations, please call the Attendance Office. Students who carry cell phones are not allowed to make or receive calls, take or send photos, or text messages during classes. Violations will result in referral for discipline. Cell phones must be set to a "no ring/vibrate" function during the school day and kept out of sight. The school is not responsible for lost or stolen cell phones. Teachers may require cell phones be placed in their area of the room and away from students during testing.

XI. Student Expectations and Behavior

OVERVIEW OF DISCIPLINE POLICIES

District 196 strives to keep students in the classroom, to limit suspensions from school, to view discipline through an equity lens and to eliminate disproportionality in school discipline for students of color and students receiving special education services. District 196 seeks to prevent student dismissals from school through the early detection of problems and to respond to inappropriate behaviors in a manner that is designed to prevent behaviors recurring, including through restorative practices and skill building where appropriate. Each District 196 school fosters the social and emotional learning of its students and seeks the engagement of students, parents, staff and community. Student support staff members (including, where appropriate, counselors, social workers, cultural family advocates, case managers and school psychologists) may be available to assist students who engage in unwanted behavior.

AFTER SCHOOL POLICY

Academic wings and upper locker bays are locked at 3 p.m. Students must be in a supervised activity to remain in the building. If students are not in a supervised activity they are asked to go to the East Entrance where they will be supervised until their ride arrives. Parents are requested to pick up their child in the lower level, student East parking lot area. The library closes at 4:00 p.m (3:30 p.m. on Fridays, or the last day of the student school week.)

ALCOHOLIC BEVERAGES, UNPRESCRIBED DRUGS OR CONTROLLED SUBSTANCES - USE AND POSSESSION

A student shall not knowingly buy, sell, possess, use, transmit, be under the influence of, or show any affect of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, nicotine, intoxicant or mind altering substance of any kind while on school property or at school activities. If a principal or principal's designee has reason to believe that an illegal act or violation of school rules has been committed, he/she is authorized to search the student and his/her property or school property and confiscate any contraband. Law enforcement agencies may be contacted. Students will also be suspended from school and a parent conference will be held. The consequences for selling or distributing chemicals is expulsion. For students in all co-curricular activities, including band and choir performances, theatre performances and activity contests, Eagan High School will follow the Minnesota State High School League suspension rule for a violation of this nature and consequences for participation.

ASSAULT/FIGHTING/HARASSMENT/THEFT/EXTORTION/BULLYING

Students who engage in fighting demonstrate a lack of self-restraint and self-discipline. Consequences will be determined according to the seriousness of the situation, whether or not a student or other person was injured, and whether or not the building or property was damaged. Such consequences may include an administrative conference, a parent conference, Out-of-School Suspension and police investigation. Harassment or Bullying of any kind to students or staff will not be tolerated and consequences will be enforced vigorously. Theft and extortion are criminal activities and will not be tolerated. Students engaged in such activities will be suspended from school and the Eagan Police Department

will be notified. Cyber bullying, filming others without permission, threatening or harassment using technology will also result in discipline consequences.

BEHAVIOR AND DISCIPLINE

Students at EHS are expected to conduct themselves in a manner that will reflect favorably upon themselves, their home and their school. This expectation goes beyond the school day to include field trips, games and other school-organized functions. Students must demonstrate self-discipline to meet this expectation. Effective self-discipline involves a positive attitude and respect toward the entire school climate. It is expected that students will treat other students, as well as adults, with respect. Actions which disrupt the smooth operation of the school, such as fighting and those behaviors which disrupt classroom learning, as well as public displays of affection, are not showing proper respect or self-discipline toward fellow students. Students share with faculty and staff the responsibility of maintaining a safe, nondiscriminatory, stimulating and productive learning environment. Any inappropriate student behaviors will lead to appropriate consequences. Eagan High School will comply with the District 196 Student Behavior Expectations and Consequences (603.3AR) published on the last pages of this guidebook and in the Student Rights and Responsibilities Handbook.

Students 18 years of age and older must abide by any and all regulations which apply to the general student body.

COMPUTER USE, IPADS AND INTERNET ACCESS

Computers and the Internet must be used in a responsible, ethical and legal manner. Examples of unauthorized access or activity while using an EHS computer include: access into district, school or staff computer files; access into a school or district file server; or inappropriate use of the Internet. Students who choose not to follow established guidelines will be subject to District 196 Student Rights and Responsibilities guidelines, which may lead to a loss of privileges, suspension and/or prosecution.

Students:

- Must have a pass or be with a class to access computer workstations. Scheduled classes using computer lab areas have priority over “drop-in” student use.
- Must not leave the computer lab area until the bell rings unless specified on the student pass.
- Must refrain from bringing food and open drink containers into any computer lab area
- Must log off the computer when leaving the Internet or class.
- Must comply with all rules and the signed agreement for iPads, personal devices on the internet or school network.

CO-CURRICULAR BEHAVIOR

Behavior expectations and consequences for misbehavior for students participating in co-curricular activities, including all athletic teams, arts programs, activities programs and clubs, shall be the same as for students in other school or district activities, as described in Policy 503, Student Behavior Expectations and Consequences for Misbehavior.

Students participating in co-curricular MSHSL activities will also be expected to abide by the rules of the Minnesota State High School League.

DAMAGE OF PROPERTY (VANDALISM)

Such behavior will result in suspension from school, payment for damages, and the school's turning the case over to the police department.

DETENTION

This consequence is assigned for unexcused absences or other issues. It is held from 2:35-4:40 p.m. on selected school days. Unexcused absence from detention will result in an out-of-school suspension or additional time being assigned. Absences from after school detention will result in assignment of the consequences for repeated insubordination.

EHS STUDENTS AND DAKOTA HILLS MIDDLE SCHOOL

Eagan High School students are not allowed within Dakota Hills Middle School or its grounds at any time unless accompanied by a faculty member or pre-approved to do so. **In addition, EHS students are not allowed to ride DHMS buses except in extremely rare circumstances with principal authorization and parent permission in writing.**

FIRE ALARMS AND FIRE EXTINGUISHERS

Turning a false fire alarm is a misdemeanor under Minnesota State Statutes and is punishable by a fine of up to \$300 and imprisonment of 30 days in jail. Any student who tampers with a fire alarm sensor/detector or an extinguisher will be subject to immediate suspension. Parents will be notified of such an infraction. **WE WILL PROSECUTE ANYONE CAUGHT TURNING IN A FALSE ALARM.**

GAMBLING

Gambling of any kind is prohibited by district regulations and EHS rules. Any student involved in gambling will be subject to disciplinary consequences.

GENERAL MISCONDUCT

General misconduct may include, but is not limited to, the following behaviors: inappropriate language, fighting, forgery, truancy, vandalism, theft, possession and/or sale of stolen property, illegal substances or any other illegal activity. General misconduct will result in discipline, depending on the individual incident. Parents will be notified and/or a parent conference will be scheduled. In cases warranting greater concern, police may be notified.

HOMEWORK HELP

Students who have fallen behind in assignment completion and have not stayed after school to make up missed work with the teacher, will be assigned to Homework Help to make up the missing assignments. This is held on Wednesday from 2:40 until student finishes the work. It is conducted by a faculty member.

INSUBORDINATION

Students shall obey all reasonable directive of principals, teachers, substitute teachers, secretaries and clerks, bus drivers, and all other school personnel who are authorized to give such directives. Directives which are always reasonable include: 1) Request for name; 2) Directive to go or accompany staff member to the school office; 3) Directive to cease an activity. Refusal to comply with a reasonable directive is insubordination and will result in out-of-school suspension as well as being untruthful in response to a question asked.

INTERFERENCE OR OBSTRUCTION

Interference and obstruction are defined as any action taken to attempt to prevent a faculty, staff member or student from exercising their lawfully assigned duties. It is not allowed and such actions will receive disciplinary consequences.

LOCKER INSPECTION/SEARCH

School lockers are the property of District 196 and are loaned to students for their use. The school reserves the right to inspect lockers at any time if, in the opinion of school authorities, such inspection is deemed necessary for the purposes of enforcing school policies, reviewing art work and pictures to insure that they are of good taste and proper for school exhibition, insuring student safety, or to confiscate items of contraband such as weapons, drugs, squirt guns, water balloons (as well as other nuisance items), tobacco, e-cigarettes, alcohol, stolen items and school property. The items will be confiscated and the student may be suspended or face expulsion from school. Such inspections will be conducted under the supervision of a principal. Students are not allowed to access others' lockers.

Students are reminded not to tell anyone their locker combination or to share their lockers. If the need arises to change the locker combination, the student will see the designated student service person. A \$5.00 FEE WILL BE ASSESSED PRIOR TO THE COMBINATION CHANGE.

MINNESOTA PUBLIC LAW 691 AND STUDENTS

Students and parents should be aware that Minnesota P.L. 691 mandates that police will inform school officials of any violation of minor possession and consumption in any community. These students will be referred to a pre-assessment team composed of teachers, counselors and administrators who will determine whether there is a need for intervention or outside referral. Any such referrals will be shared with co-curricular principals, and participation and eligibility rules will be enforced for all activities, contests and performances. Honors and/or recognition at EHS may be affected by such violations. Teachers, counselors and administrators who will determine whether there is a need for intervention or outside referral.

REPORTIT.COM

EHS offers an online reporting system through Reportit.com. It allows students to report concerns or problems at anytime and may be anonymous. All reports are dealt with immediately. Access is on the website at Reportit.com - <https://ehs.district196.org/families/bullying-prevention>

STUDENT PRINTING

Each student will have a pre-set limit of \$10.00/yr which is about 333 copies on EHS printers. Color printing is available for a charge through the teacher.

STUDENT RESPONSIBILITIES

Student responsibilities include: conscientious effort in school work and activities; respect for the rights of other students, school staff and school visitors; and adherence to a cooperation in upholding local, state and federal laws, and district and school policies, rules and regulations. Most of all, students share with the administration and staff the responsibility of establishing and maintaining a safe, stimulating and productive learning environment.

A major student responsibility is regular attendance and punctuality. Many studies correlate regular attendance with success in school. Regular attendance means that the academic learning process is not interrupted, less time is spent on make-up assignments, and students benefit from participation and interaction with others in class. Establishing a pattern of good attendance will benefit the student in school and the workplace. Arriving to school and classes on time is required. Truancy petitions may be issued for students with unexcused absences and/or tardies.

STUDY HALL

All study hall assignments at Eagan High School are assigned and scheduled with attendance required. Rules of the 9th and 10th grade study halls include:

1. Seats are assigned.
2. Quiet study is enforced.
3. Students may be excused to the library after attendance in Study Hall.
4. No eating, drinking, dice or game/card playing is allowed.
5. No cell phones, iPods, universal remote controls, laser pointers or game playing devices are allowed. 11th and 12th grade study halls will be conducted in the Student Commons and lecture halls. These students are to follow the same rules except food and beverages are allowed if the study hall is in the Commons and, provided that cleanup is not a problem. Since students choose to have a study hall in their schedule, they are expected to attend study hall daily unless excused by a parent note or call for an acceptable purpose prior to absence.

TOBACCO AND E-CIGARETTES AND ELECTRONIC DEVICES FOR VAPING

The State Law prohibiting the use of tobacco is found in Section 609.685 of the Laws of Minnesota. Our local school district policy and Minnesota State Law prohibits the use or possession of tobacco, vaping devices and e-cigarettes by teachers, principals, other school employees, students, parents and visitors in school, on school grounds, on school buses or at school activities. Any student using or possessing tobacco and e-cigarettes or vaping devices is in violation of this policy and will be subject to disciplinary actions: Eagan High School will report violations to the police. The Eagan Police will issue citations for violations which will result in fines, possible court appearance and penalties. Eagan High School will follow the Minnesota State High School League suspension rule for a violation of this nature.

VERBAL ABUSE AND PROFANITY

Verbal abuse is defined as causing alarm, anger or resentment in others through the use of language that is disrespectful, racist, offensive, obscene or threatening, or by engaging in boisterous and noisy conduct. The use of abusive language and profanity indicates one's inability to properly express one's feelings in an appropriate manner. This shows a lack of self-discipline and a lack of proper respect toward fellow students, teachers and staff. Such inability to express oneself properly will lead to appropriate consequences.

WIRELESS ACCESS

Wireless access on the school's network will be available to all students at EHS. All internet rules are applicable and students must follow the user agreement signed each school year.

HEALTH OFFICE

The health office is located in the attendance office area and the nurse's hours are 6:40 am-2:40 pm. The school nurse is available to coordinate and provide care for our students; Any student who is ill or in need of first aid should see the nurse.

- **Students must have a pass from their teacher before reporting to the health office, unless it is an emergency.** If a student wants to come to the health office between classes, he/she must obtain a pass from the teacher of the next hour's class.

- **Students may not leave school or arrange for their own ride home without first reporting to the nurse.** The school nurse will assess the illness and call if necessary. **If this procedure is not followed, the absence will be considered unexcused and the possibility of a disciplinary action may follow.**

Non-prescription pain medication (Tylenol, Ibuprofen, Aleve) can be carried and self-administered by students if the emergency card is signed electronically by a parent/guardian and the student abides by the district's policy. These medications must be carried in their original containers. **NO baggies please.**

Other Non-prescription medications (allergy, cold or migraine medication) must be brought to the Health Office with a note from the parent instructing the nurse how and when to administer the medication to the student. They can be kept in the Health Office for 1 school year. Students may not share medications with others.

Generic Tylenol and Ibuprofen are available from the Nurse when the student has a current, electronically signed emergency card on file with the school. This form

can be filled out via Fee Pay. State regulations prohibit schools from dispensing **any** medication without written permission from the parent or legal guardian.

Medications

To ensure students receive needed medication and that it is not misused, the school district has developed rules for the administration of medication in school. Please note the following points:

1. All medication must be kept in the school nurse's office and must be administered by the school nurse or other appropriate school personnel unless there is authorization on file with the health office.
2. Medical guidelines:
 - A completed Prescription Medication Authorization Form from a student's parent or guardian and
 - Medication in a prescription bottle or original container is required before a school nurse will give a student prescription or non-prescription medication
 - Only FDA approved medications will be administered by school personnel
 - Parent consent for non-prescription medications is required
3. If medication is to be given for more than two weeks, a written order from a physician or dentist must be provided to the school
4. If prescription medication remains in the nurse's office after the end of a school year or when the student is no longer attending the school, the nurse will contact the student's parent or guardian to pick up the medication. If the medication is not picked up within one month, it will be destroyed. With parent permission, epi pens, inhalers, and insulin can be sent home with the student at the end of the school year.

Required Immunizations:

State law requires all students entering 9th grade to have at least 3 Tdap/DTap/Td with a **Tetanus** booster (given after age 10-11), 2nd **MMR**, 3 total polio vaccinations, 2 varicella (chicken pox) or a date (MM/YY) of when they had the disease and 3 Hepatitis B vaccinations. All 10th grade students must have at least 1 Meningitis/Meningococcal vaccine complete. All students entering 12th grade must receive a booster dose the Meningococcal vaccine by the first day of school. Parents may file for medical exemption with either a signed statement from a health care provider or conscientious objection signed by the parent/guardian and notarized.

Health Plans

If your student has a health condition that could result in an emergency (for example, serious allergy with epi pen, diabetes, seizure disorder or asthma) or has a health condition requiring accommodations (for example, medication administration, treatments, or restrictions) contact the School Nurse before the school year starts or as soon as the condition develops. Our school and district websites have the necessary forms for you and your child's physician to complete. <http://www.district196.org/student-services/health-services/>

HOME BOUND INSTRUCTION

Students who are absent for 15 consecutive school days of illness, or 15 school days related to the same illness, may receive homebound instruction. This involves a teacher meeting with the student and bringing school work to and from EHS teachers one hour for each day of absence. A medical doctor must request this service by verifying the 15 school days or more of absence that is a result of illness/injury and the need for homebound instruction. See Mr. Jameson or a counselor for assistance.

RECORDS

Student records are maintained in the Counseling Office. Confidential records will be protected as required by school policy and law. The following individuals may see students records:

- Parents or legal guardians of minor students.
- Minor or adult students wishing to view their own records.
- Staff members of ISD 196 school who have an educational responsibility for an individual student.

Colleges, vocational schools, employers, social agencies and police may have access to records only with the written permission of adult students, parents, legal guardians or upon subpoena by a court order.

SCHEDULE CHANGE GUIDELINES

As a result of the carefully developed scheduling process, it is unlikely that students will be allowed to change their schedules. However, in the event of an unusual need to change a class schedule, students should request and submit a change form from the Counseling Office. All schedule changes are subject to parent and principal approval and class availability.

Late schedule changes will not be accepted unless a student with extenuating circumstances makes a request. Absences are carried over from the old to the new classes. Approval by the assistant principal and parent is necessary to accomplish the change. A student who has been denied a schedule change may drop a course with a grade of "F" and be assigned to a structured (9-10) study hall. Parent permission is required to do so.

SPECIAL SERVICES (INDIVIDUAL EDUCATION PLAN AND 504 PLAN)

Various remedial and support courses are offered to those students who have gone through the district Child Study process and have been placed into Special Education service. This procedure involves referral to Child Study. Parent permission is required for assessment, staffing and program decision-making involving staff, parents and the student. An IEP is created and approved for the student by the team.

In accordance with state and federal mandates, District 196 seeks out, evaluates and serves students with disabilities. District staff use a comprehensive child study process to systematically screen, evaluate and place students in special education services from ages birth-21. Students are entitled to a free appropriate public education in the "least restrictive environment." To learn more about your rights under special education law, you may request a copy of the Notice or Procedural Safeguards from your principal or download it from the Minnesota Department of Education: <http://education.state.mn.us/mde/dse/sped/proc/>.

504 Plans may be created for students with a documented disability that impacts the access to learning. Parent and student requests for a meeting to discuss such an access plan are handled by Ms. Robinson, the school psychologist.

Section 504 is a federal law which prohibits discrimination against persons with a disabling condition in any program receiving federal financial assistance.

The law defines a person with a disabling condition as anyone who:

- Has a mental or physical impairment, which substantially limits one or more major life activities;
- Has a record of such an impairment, or
- Is regarded as having such an impairment.

The district has specific responsibilities under the law, which include identifying, reviewing and, if the child is determined to be eligible, developing and implementing a 504 plan.

TRANSPORTATION - District Provided

High school students who live more than 1.5 miles from the school are eligible for district bus transportation to and from school. No transportation is provided during the school day for SES or Career Development students who move from building to building.

ACTIVITY BUSES - District 196 Secondary schools will offer after school activity/academic buses. Check for the schedule of times and dates.

Student riders are expected to exhibit good behavior at all times on school buses and at boarding points. If any student does behave badly, he/she will be warned about it and assigned a seat on the bus. If he/she persists, he/she will be promptly disciplined by the school, the student may be denied the privilege of riding the buses.

If bad weather should force a halt in bus operations, this fact will be announced officially over the EHS Website (www.EHS.District196.org) radio station WCCO-AM 830 and on the District web site at www.district196.org. A district phone call and email will be sent to each household.
